

HEAR YE HEAR YE

Once again the Saint Francis of Assisi Newspaper Club is seeking sponsors for our school paper. Your donations will help to defray the cost of printing a paper for every family at the school. The second edition will come out in June of 2010 and contains many articles about all our spring events and the activities of the students since February. There are stories and poems by the children and pictures of all the many news worthy events held at our school since the last edition. Thanks to your contributions we have been able to include more color photos in each addition. Our goal is to have all pictures and clip art in color.

Please detach the sponsorship form below and return it along with your contribution. It would help us if you would put it in a separate envelope addressed to the Newspaper Club. Remember to print clearly so that we may accurately place your name on the sponsorship page in our paper. Thank you for all you have done in the past to keep our school newspaper going.

Contributions must be in by June 8th so that sponsorship lists can be compiled.

(Detach here)

Newspaper Sponsorship Form

I would like to sponsor the SFA Times in the amount of _____.

The person (s) responsible for this sponsorship are listed below
