

## Book Swap

The idea of a book swap is to share books with other that you may no longer read. It also gives children a chance to shop without money. The third graders of St. Francis of Assisi will be hosting a book swap. Children are asked to bring in books that they no longer read. For each book that a child brings in, they will receive one ticket. This ticket entitles the child to "buy" one book.

We ask that children begin bringing in books on Monday, April 26, 2010. We will have the book swap on May 7<sup>th</sup>. At the swap the students can "shop" around for books of their choice. We look forward to seeing everyone there!
