Dear Parent(s)/Guardian(s),

It was great to see you at the Saint Francis of Assisi Guild meeting last night and we thank you for attending. There will be a repeat on Monday, December 17th, at 8:15 A.M. as it was an important Guild/Guidance meeting.

Future events were discussed such as the Holiday Calendar Drive, a uniform swap, Yankee Candle Drive, Catholic Schools Week, an ice skating party, etc.

You are all members of the Guild and we need your full cooperation to remain a leading school in the Archdiocese of Boston. Fundraising is important as tuition alone did not and will not cover any enhancements in the future.

The best part of last night's meeting was the "Setting Limits" presentation from our Guidance Counselor, Miss Allison Craven. The presentation and suggestions can be applied to all.

The next Guild meeting will be held on January 17, 2008 and we hope to see you here!

Sincerely,

Mrs. Vittoria DeBenedictis, M. Ed.
Principal
