Dear Parent or Guardian:

Thank you for participating in the School Lunch program, and for taking advantage of the prepayment system offered for your child.

It is our hope that the prepayment system makes things easier for you and provides peace of mind that your child will be receiving a nutritious, balanced meal. We encourage you to continue to participate and take advantage of the prepayment system. However, for accounting purposes, we are no longer able to accept checks made out the St. Francis of Assisi. We are returning this check to you, and kindly ask that you make out a new check, payable to **Braintree School Food Services**, again with your child's name and/or account number written in the memo section. Once we receive the new check we will be sure to deposit it directly into your child's account, so that the funds are available for use that day.

Again, thank you for your participation in the lunch program, and I apologize for any inconvenience this may cause. We look forward to continuing to provide well balanced meals for the children who attend St. Francis of Assisi. If you have any questions, please do not hesitate to call me at 781-380-0144.

Thank you.

Sincerely,

Megan Aardema, RD
Food Services Director
