Square 1 Art

The students are sharpening their colored pencils and oil crayons, and have begun their artwork for the Square 1 Art event.

Square 1 provides high quality products that make great keepsakes and gifts. The students' artwork will be reproduced on a magnet to keep, and then families have the option to purchase items with their child's artwork reproductions. Popular items in the past include water bottles and Christmas tree ornaments. One-third of the purchase price is donated back to Saint Francis of Assisi School.

Celebrate your child's creative talent and support the school. Be on the lookout for order forms in late February.

Opening Day Lunch, and Catholic Schools Week events like Special Persons Day, and Family Liturgy. If you can help with these events, or have new ideas, please come to the Guild Meeting or contact the Parents' Guild Officers at parentguild@sfab.org.
