Harvey Uniforms will be at the St Francis of Assisi School on **May 26, 2010, from 8:30 to 9:30 am** to measure students going into grades 2 – 8 and take orders.

You do not need to be present to place an order. If you know the sizes you need, please indicate that on the form you received with your child/ren. If you would like Harvey to recommend a size, enter the quantity of the items you want and leave the size column blank; we will measure your child and fill in the appropriate size.

All orders placed at this time will be sent to you early in the summer so there will be plenty of time to exchange sizes if it is necessary. **If you wait until August to place your order you may not receive the items you need before the beginning of the school year.**

All orders for uniforms for the next school year which are placed with Harvey on or before July 1, 2010 and paid in full will be delivered directly to your home. **There will be no cost to you for this delivery.** Orders for home delivery placed after July 1st, orders not paid in full, and orders for items for immediate use, will be subject to the normal home delivery charge.

Harvey provides the most durable, competitively priced school uniform products available. Harvey Uniforms guarantees the fit, quality and performance of every item we sell.
