**Dear KB Families,**

**We can't believe the school year is at an end. We have loved working with your children and watching them grow and learn. We hope you are as happy as we are with your child's growth and development. They all have worked very hard all year long and changed so much from who they were back in September. Thank you for your support during this past school year!**

**Our graduation and last day of school is on Wednesday June 16th. The graduation will promptly begin at 9:00. Refreshments will follow the ceremony and the children will be dismissed afterwards. The Extended day program will be available for the remainder of this week.**

**During this month, we also have our annual field day at Thayer Academy to look forward to. After competing in several events, the children will enjoy Radio Disney during recess time. DJ's Kelly and Craig will have many exciting and entertaining activities for the children.**

**A summer skills packet will be sent home with the final report card. It will help your child review some of the skills they learned in kindergarten. Work on a few pages at a time with your child during the summer. Then, check their answers so you can focus on the skills that need to be reinforced. You may also want to visit the library during the summer. They have great programs and wonderful books to be explored. God's house is also open and he would love for you to pay him a visit!**

**On Moving on Up Day, the children met the first grade teachers Miss Giampietro and Mrs. Horsman. They enjoyed the short amount of time they spent in first grade and seem enthusiastic about what's to come next year. At that time, a summer reading list and supply list was given to each child. If you misplace the list during the summer, you may look on our website [www.sfab.org](http://www.sfab.org) and look under "classrooms" for a new list.**
