Saint Francis of Assisi Mission Statement

We are a Catholic community of faith striving to follow Jesus, pledging each day to do our best by imitating St. Francis of Assisi as "instruments of peace." Our goal is to maintain a safe and healthy environment and to be academically prepared for this technological age.

Dear Parents;

We can't believe the school year is at an end. We have loved working with your children watching them grow and learn. We hope you are as happy as we are with your child's growth and development. Thank you for all your support.

Our graduation and last day is on Thursday June 5, 2008. The graduation will begin at 9:00. Refreshments will follow the ceremony.

Thanks to everyone who helped at our field day at Thayer Academy we had a wonderful time.

We had a wonderful time last week learning about honey bees with "Mr. Beekeeper." It was a great presentation.

A summer skills packet will be sent home with the report card. It will help your child review kindergarten skills. Have them do a few pages during the summer. Then check their answers so you can focus on the skills that need to be reinforced. Please visit the library during the summer; they have great programs and wonderful books to be explored. Also, please visit God's house during the summer.

Last week the children met the first grade teachers, at that time a summer reading list and supply list was given to each child. If you misplace the list during the summer you may look on our website sfab.org and look under classrooms for a new list.

Have a great and safe summer

Mrs. Burke and Ms. Rose
