Our goal is to maintain a safe and healthy environment and to be academically prepared for this technological age.*

April 1, 2010

Dear Parents/ Guardians,

As it is getting into the later half of the school year everyone is starting to think about summer. Plans are being made for vacations and summer camps. I am excited to be taking over the summer program here at SFA along with Ms. Giroux. We will be running camp for seven weeks this summer starting July 5<sup>th</sup> and ending August 20<sup>th</sup>.

This year we are planning some exciting field trips and are looking forward to having the students join us. Summer camp is open to children ages 4-13. They can be students at SFA but we also welcome anyone who would like to join us. We have sent out an informative postcard and have more information posted on the Extended Day website on the SFA home page. We have seven different theme weeks. Each week on Tuesday will be a themed field trip and on Thursday we will go to the beach. The camp hours are from 7:45am to 5:30pm. There are many options for schedules.

This year our themes will be Toy Story 3, jungle, lessons for life, winter wonderland, wacky games, food fun, and summer days. We are planning our yearly trip to Canobie Lake Park at the end of the summer and have some other exciting field trips in the works as well. We are beginning to order supplies so be sure to sign up soon and reserve your seat!

Happy Planning,

Ms. Craven  
Guidance Counselor
