

Grade Four Summer Reading

What a great time of the year to jump into a good book! When you hit the beach bring a book or find a hidden spot in the yard where you can read under a tree on a hot day. Another good time to read is before bed when you may need to unwind from a long day at camp. The possibilities are endless when it comes to reading!

We are providing a list in which you will choose and read any **two** books of interest to you on the list. These are books written by wonderful authors, some of you may already be familiar with them from prior experience. In addition to the two books from the list, please select **one** book *on or off* the list which you are interested in reading. It may be fiction, nonfiction, mystery, fantasy, biography, adventure, science fiction, or poetry. In all you will read **three** summer reading books for fourth grade.

When you return in the fall a project will be assigned. It will be helpful to keep a notebook labeled *Summer Reading* so while reading these books you can jot down some thoughts you have about the story. When you return in the fall the notebook will help you review the story since you may have read it earlier in the summer.

Choose **two** from the list below:
