GREAT NEWS FROM SCHOOL!

Dear Parent(s)/Guardian(s),

As of October 1, 2007 Saint Francis of Assisi School is going paperless!!!! That means any notices going out from school on Thursdays will be viewable on our website, www.sfab.org. The only papers your child/ren will bring home in his/her Thursday envelope will be notices generated from the community. This will save much paper, time and work for everyone and also follows our mission statement. How exciting!

We would ask that all parents sign below stating that they agree to retrieve information in this format. Your cooperation is very much appreciated and I am sure we will all benefit from this new way of receiving school information. Please check the website each Thursday.

Thank you very much!

Sincerely,

Mrs. Vittoria DeBenedictis, M. Ed.

Principal

I have read the paperless letter and agree to retrieve information from Saint Francis of Assisi School from the school website. Date _____
