# PENNY GAME

Re: Penny Game  
Date: Jan. 28, 2010

As a fun activity during Catholic Schools Week, we will be playing the Penny Game, starting Monday and ending Friday. The object of the game is to get as many pennies as possible in your homeroom jar, and hopefully no silver coins. Each grade will be given a large jar/container to put outside their classroom door. At a given time, students will try to get all of their pennies into their own classroom jar and as many silver coins as possible into their opponents.' The classroom with the most pennies in their container, not the most money, wins the game. All the money raised during the Penny Game will go toward sponsoring Charlotte Kelly's father, Greg Kelly, who will run in the Boston Marathon as a member of the 2010 Dana-Farber Marathon Challenge team and will also be donated to the Haiti Relief Fund. Please help us out by saving your pennies now and may the fastest class win!
