## **Christian Service Requirements**

This year Grade 8 will be participating in a community service project. Every term students will offer their services in lending a helping hand. Their goal is 40 hours for the school year, 10 hours per semester. The guidelines are simple: perform a service for someone outside the family, and accept no payment for the service. Students, **themselves**, must volunteer for the service they are performing. Possible suggestions are: helping with CCD programs in various parishes, working for parish bazaars, or craft fairs, walking for the Cancer Society, helping an elderly neighbor, etc. It is my hope that the students will discover helping others is its own reward.

**Please note: Christian Service forms are to be filled out by the students. The only thing the signer needs to do is to sign, give their title, and date the form. No orientation hours will be counted toward service hours.**
