Are you ready to use it?

Chess Wizards is one of the largest chess academies in the nation. Every year since 2002, our interactive, discovery-based curriculum inspires thousands of students and parents to challenge themselves through the Game of Kings (and Queens!). More than just a game of winning and losing, we challenge our students to think ahead, visualize their goals, treat others with respect, and learn from their mistakes. Studies have shown that chess enhances cognitive development, improves scholastic performance and boosts confidence… plus it's a game kids can enjoy their whole lives!
