

SFA Basketball

Girls Coaches Needed!

Basketball season will be here before you know it
and we need your help!

Do you want to get involved?

The basketball program of Saint Francis is in need of parents to help with the program. The Girls teams (Junior and Senior) are in need of coaches this year. If your child is thinking about playing please consider getting involved with this important task.

The basketball program is open to sixth, seventh and eighth grade students. However, if a fifth grade parent wishes to volunteer, their child would be able to participate on the junior team. If you are interested please contact Dan Cross at 781-843-9634, or via email at dfcross@beld.net

We are looking forward to another great season, with your help!

Thank you
Dan Cross
