

Attention Parents!

If your child had their spring portraits taken they will be coming home with a Proof Envelope Order Form.

If you would like to order any of the portraits simply fill out the envelope and return to school with payment.

- Envelopes will typically have one to two proof options.
- You may order any of the proofs but only *one* image per package is allowed.
- After package purchase, you may order the add on options of the same image or one of the others provided on the envelope.
- To order the magnet option, which does not have a check box, simply write it in at the bottom of the numbered package selection.
- Please make sure to fill out your forms carefully! Any incorrect forms and payments may result in delayed delivery of your child's portraits.

All orders must be in no later than Wednesday, April 14th.
