## Summer Reading Letter 2010-2011 Grade 7 Mrs. Dobrev

Each student will read **5 age appropriate books** of his/her choice (suggested reading list attached). Book titles and authors should be recorded on the "Required Summer reading Form" (attached) and signed by a parent/guardian. Grading for summer reading will be oral class presentation/discussion based on assigned questions for each book (questions are attached). Each book is valued at 20 points with a total point value of 100 which will be counted twice: once as a grammar grade, and once as a literature grade. It is suggested that the student complete the series of questions for each book immediately after he/she has finished reading it and keep them in a folder marked "Summer Reading". This will hopefully cut down on the work, time, and stress often associated with summer assignments, and allow students to enjoy the pleasures of reading. All reading, as well as, the diver sheet is to be completed and brought to school by Tuesday, September 14, 2010.

Have a wonderful and safe vacation.  
See you in September!
